

We are a metalworking, steadily growing family business in the field of cold forming/mechanical engineering and employ 50 people in a modern plant at Bremen Airport. In cold forming, we produce raw parts for the building trade and the automotive supply industry in three-shift operation. In the mechanical engineering division, we manufacture product-specific systems for mass production.

We are looking for an administrative position to start as soon as possible:

Commercial employee (f/m/d) specialising in accounting

Your area of responsibility:

- Processing of current accounting transactions in accordance with HGB
- Advance VAT returns and statistics
- Support with monthly and annual financial statements
- Support for personnel accounting
- Support for other commercial departments (purchasing/sales)

What you bring with you:

- Completed training as a commercial clerk, accountant, assistant tax consultant or comparable training
- Several years of professional experience in accounting
- Fluent German and good English skills
- Confident handling of MS Office, especially Excel skills
- Independent and autonomous working style
- Knowledge of standard financial software and SAP desirable
- Ability to work in a team and flexibility

These advantages await you:

- We are a family-run company with short decision-making processes and a flat hierarchy
- We offer a varied job with insight into different areas and tasks
- You have individual development opportunities
- We want to work with you on a long-term and trusting basis
- We have modern and comfortable workplaces
- You will receive an attractive salary
- You can stay fit and healthy with our company fitness programme
- Our company pension scheme provides for you
- Other attractive employee benefits
- We regularly organise employee events

Do you have any questions? Or would you like to apply directly?

Then simply contact Mrs Beckmann on +49 421-5571671 or send your complete application documents including salary expectations to:
